REPORT ON THE IND AS FINANCIAL STATEMENTS

OPINION

We have audited the accompanying Ind AS Financial Statements of **M/S NUPUR FINVEST PRIVATE LIMITED** ("the Company") which comprises the Balance Sheet as at 31st March 2020 the Statement of Profit and Loss (including Statement of Other Comprehensive Income), Statement of changes in equity and statement of cash flows for the year ended on that date, and notes to the Ind AS Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2020 and profit (including Statement of Other Comprehensive Income), Statement of changes in equity and its cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics Issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

EMPHASIS OF MATTER

We draw attention to note no. 53 of financial statements as regard to the management evaluation of COVID-19 impact on the future performance of the Company.

Our opinion is not modified in respect of the above matter.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters below to be the key audit matters to be communicated in our report.

Key Audit Matters	How our audit address the key Audit Matters
<p>Impairment of financial Instruments (Expected Credit Loss) (refer Note No. 28 of the standalone financial statement)</p> <p>Ind AS 109 requires the Company to recognize impairment loss allowance towards its financial assets using the expected credit loss (ECL) approach. Such ECL allowance is required to be measured considering the guiding principles of Ind AS 109 including:</p> <ul style="list-style-type: none"> unbiased, probability weighted outcome under the various scenarios; time value of money; impact arising from forward looking macro-economic factors and; availability of reasonable and supportable information without undue costs. <p>Applying these principles involves significant estimation in various aspects, such as;</p> <ul style="list-style-type: none"> grouping of borrowers based on homogeneity by using appropriate statistical techniques; staging of loans and estimation of behavior life; estimation of losses for loan products/ corporate guarantee with historical defaults. Determining macro-economic factors impacting credit quality of financial assets, <p>Considering the significance of such allowance to the overall financial statements and the degree of estimation involved in computation of expected credit losses, this area is considered as a key audit matter.</p>	<ul style="list-style-type: none"> We read and assessed the Company's accounting policies for impairment of financial assets and their compliance with Ind AS 109. We tested the criteria for staging of loans/ corporate guarantee based on their past-due status to check compliance with the requirement of Ind AS 109. Tested samples of performing loans (Stage 1) to assess whether any loss indicators were present requiring them to be classified under stage 2 or 3 and vice versa. Tested the ECL model, including assumptions and underlying computation.

MANAGEMENT'S RESPONSIBILITY FOR THE IND AS FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

AUDITOR'S RESPONSIBILITY FOR THE AUDIT OF THE IND AS FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure 'A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- c. The audit of all the branch offices of the Company has been conducted by us, hence section 143(8) is not applicable;
- d. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account
- e. In our opinion, the aforesaid Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- f. On the basis of the written representations received from the directors as on 31st March 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
- g. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i) The Company does not have any pending litigations (other than in the ordinary course of business) which would impact its financial position.
- ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (1) OF SUB – SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013

We have audited the internal financial controls over financial reporting of **M/S NUPUR FINVEST PRIVATE LIMITED** as of 31st March 2020 in conjunction with our audit of the Ind AS Financial Statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Financial Statements.

**ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT OF
M/S NUPUR FINVEST PRIVATE LIMITED
(Referred to in paragraph of our Report of even date for F. Y. 2019-20)**

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2020 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

2. FUNCTIONAL AND PRESENTATION CURRENCY

These financial statements are presented in Indian rupees (rounded to nearest lakh), which is the functional currency of the company. All financial information is presented in Indian rupees.

3. BASIS OF PREPARATION OF FINANCIAL STATEMENTS

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historic cost convention on an accrual basis, except where the same is considered as fair market value as required by Ind AS, the provisions of the Companies Act , 2013 ('the Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI).

The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the relevant amendment rules issued thereafter.

Financial statements have been presented in accordance with format prescribed for Non-Banking Finance Companies under Companies (Indian Accounting Standards) Rules, 2015 in Division III as per the notification No. G.S.R. 1022(E) dated 11.10.2018.

The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP.

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

M/S NUPUR FINVEST PRIVATE LIMITED
ACCOUNTING POLICIES

4. USE OF ESTIMATES AND JUDGMENTS

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. The application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed in further notes. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

4.1 REVENUE RECOGNITION

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Company follows accrual basis for all revenue recognition. Interest income is recognized on due basis and penal income if recognized on receipt basis.

4.2 INCOME TAXES

The company's major tax jurisdiction is India. Significant judgments are involved in determining the provision for income taxes, including the amount expected to be paid or recovered in connection with uncertain tax positions.

Income tax expense comprises current and deferred tax. It is recognized in the statement of profit and loss except to the extent that it relates items recognized directly in equity or in OCI.

4.3 PROPERTY, PLANT AND EQUIPMENT

Property, plant and equipment represent a small proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. Useful lives of PPE and intangible assets are based on the life prescribed in Schedule II of the Companies Act, 2013. In cases where the useful lives are different from that prescribed in Schedule II, they are based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers' warranties and maintenance support.

4.4 PROVISION

Provision is recognized when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation as at the Balance Sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

M/S NUPUR FINVEST PRIVATE LIMITED
ACCOUNTING POLICIES

4.5 CASH FLOW STATEMENT

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effect of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments and item of income or expenses associated with investing or financing cash flows. Cash flow from operating, investing and financing activities are segregated.

5. ACCOUNTING POLICIES

5.1 CASH & CASH EQUIVALENTS

Cash and cash equivalents in the balance sheet comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

5.2 FINANCIAL INSTRUMENTS

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument.

Company has a business model of 'Hold to collect' with sole purpose of collecting principal and interest from loans, thus as per Ind AS 109- 'Financial Instruments' Loans are measured at amortized cost.

Other financial assets or liabilities maturing within one year from the balance sheet date are measured at the carrying value as the same approximate the fair value due to the short maturity of these instruments, thus they same.

5.3 IMPAIRMENT OF FINANCIAL ASSETS

In accordance with Ind AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss of the financial assets on the basis of their credit risk exposure.

For the same, ECL is measured as per the management policy after performing due diligence of company's historical data in regards to the respective asset. Also, since company is a RBI registered NBFC and as per RBI guidelines, a 0.4% provision for NPA is created against company's credit exposures.

The Company recognize overdue amount from customers in trade receivables. Since, the nature of these receivables are of short term.

Expected Credit Loss model:

COMPANY'S Credit loss system is based on its credit risk function and the risk perceives. Under Ind AS, credit loss provisioning is mainly based on past trends and judgment of the entity. Implementation of expected credit losses not only consider historical data but also incorporates consideration to forward looking information.

M/S NUPUR FINVEST PRIVATE LIMITED
ACCOUNTING POLICIES

ECL model is divided into three stages as follows:

Particulars Also Referred As	Stage 1 Performing	Stage 2 Under Performing	Stage 3 Non Performing
Credit quality of assets Days Past Due	Not deteriorated significantly since its initial recognition 0 Days to 30 Days	Deteriorated significantly since its initial recognition 31 Days to 90 Days	Objective evidence of impairment More than 90 Days
Credit risk Recognize	Low 12 month ECL	Moderate to high Life time ECL	Very High Life time ECL
ECL	Represents financial asset's life time ECL that are expected to arise from default events that are possible within 12 months	ECL that results from all possible default events over the expected life of an instrument.	

Both 12 months ECL and life time ECL are calculated on individual and collective basis, depending on the nature of the underlying portfolio of financial instrument.

Determining significant increase in credit risk

It is very judgmental to determine the significant increase in credit rise, which enable entity to move from stage 1 to stage 2. i.e. to move from 12 month expected losses to life time expected losses. Entity need to assess significant increase in credit risk as compared to its initial recognition level by considering significant changes in financial position of a borrower, expected or current delay in payment, historical trend of the repeat borrowers etc.

COMPANY also has a policy to perform an assessment, at the end of each reporting period, of whether a financial instrument's credit risk has increased significantly since initial recognition.

Forward looking information

ECL is based on history of financial asset and includes forward-looking statement; however, it is a forecast about future conditions over the entire expected life of a financial instrument. The Forward-looking information is based on:

- Internal historical credit loss experience, and the period of time over which its historical data has been captured and the corresponding economic conditions represented in the past
- Effects that were not present in the past or to remove the effects that are not relevant for the future
- Macroeconomic factors such as interest rates

M/S NUPUR FINVEST PRIVATE LIMITED
ACCOUNTING POLICIES

The Calculations of ECL

COMPANY calculates ECL on the basis of probability-weighted average scenarios on the basis of historical data.

The calculation of ECL has following key elements of COMPANY's internal estimates:

Probability of default (PD):

It is an estimate of the likelihood of default over a given time horizon.

Exposure at default:

Estimate of an exposure at a future default date –expected changes in exposure after the reporting date.

Loss Given Default:

Estimate of the loss arising on default. It is based on the difference between contractual cash flows that are due and expected to receive including from collateral. It is generally referred as a percentage of exposure at default.

Discount rate:

Used to discount an expected loss to a present value at the reporting date using the effective interest rate.

ECL system:

Stage 1: At stage one 12 months ECL is recognized which is calculated as the portion of total outstanding advances, that are overdue till 30 days, that result from a default event on the financial instrument that are possible within 12 months after the reporting date. COMPANY calculates the 12 months ECL provision based on the expectation of default occurring in 12 months following the reporting date. These expected 12 month default probabilities are applied to an EAD and multiplied by the expected LGD.

DERECOGNITION OF FINANCIAL INSTRUMENTS

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognised from the balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

5.4 INVESTMENTS

Investments are carried at cost in the separate financial statements. Investments in subsidiary is measured at the previous GAAP carrying amount as per the provisions of Ind AS 27 – 'Separate Financial Statements'.

M/S NUPUR FINVEST PRIVATE LIMITED
ACCOUNTING POLICIES

5.5 PROPERTY, PLANT AND EQUIPMENT

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment, if any or at Fair market value if the same present a better presentation of company's financial position.

Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by the Management. If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment. An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss on disposal of an item of property, plant and equipment is recognized in the statement of profit and loss.

The Company depreciates property, plant and equipment over their estimated useful lives using the straight-line method. The estimated useful lives of assets are as follows:

Asset Category	Useful Life
Furniture & Fittings	10 Year
Computers & Peripheral	3 Year
Equipments, Plant & Machinery	15 Year

Depreciation methods, useful lives and residual values are reviewed periodically, including at each financial year end. Company has restated the useful life of Building as per the report of an independent valuer.

Advances, if any, paid towards the acquisition of property, plant and equipment outstanding at each Balance Sheet date is classified as capital advances under other non-current assets and the cost of assets not ready to use before such date are disclosed under 'Capital work-in-progress'. Subsequent expenditures relating to property, plant and equipment are capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in the Statement of Profit and Loss when incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the as set and the resultant gains or losses are recognized in the Statement of Profit and Loss.

5.6 IMPAIRMENT

Property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the Statement of Profit and Loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated depreciation) had no impairment loss been recognized for the asset in prior years.

M/S NUPUR FINVEST PRIVATE LIMITED
ACCOUNTING POLICIES

5.7 INTANGIBLE ASSETS

Intangible assets are stated at cost less accumulated amortization and impairment or Fair market value if the same present a better presentation of company's financial position. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition, and other economic factors (such as the stability of the industry, and known technological advances). Amortization methods and useful lives are reviewed periodically including at each financial year end.

The company has developed Paisalo app in the current financial year for which all research costs are expensed as incurred. Software product development costs are also expensed as incurred unless technical and commercial feasibility of the project is demonstrated, future economic benefits are probable. The cost during the development phase is capitalized as the cost the app to be presented in balance sheet. The costs which can be capitalized include the cost of material, direct labor and overhead costs that are directly attributable to preparing the asset for its intended use.

5.8 CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Contingent liabilities are disclosed for:

- a. possible obligations which will be confirmed only by future events not wholly within the control of the Company, or
- b. present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are disclosed wherein an inflow of economic benefits is probable.

5.9 SHARE CAPITAL

Ordinary shares are classified as equity, incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from proceeds.

5.10 SEGMENT REPORTING POLICY

The chief Operating Decision Maker ("CODM") reviews the operation at the Company level. Therefore, the operations of the company fall under "Financing activities" business only, which is considered to be the only segment in accordance with the provisions of Ind AS 108- Operating segment.

5.11 BORROWING COST

Borrowing costs, which are directly attributable to the acquisition /construction of fixed assets, till the time such assets are ready for intended use, are capitalized as a part of the cost of assets.

All borrowing costs other than mentioned above are expensed in the period they are incurred. In case of unamortized identified borrowing cost is outstanding at the year end, it is classified under loans and advances as unamortized cost of borrowings.

In case any loan is prepaid/ cancelled then the unamortized borrowing cost, if any, is fully expensed off on the date of prepayment/cancellation.

M/S NUPUR FINVEST PRIVATE LIMITED
ACCOUNTING POLICIES

5.12 RELATED PARTY

A related party is a person or an entity that is related to the reporting entity. A related party transaction is a transfer of resources, services or obligations between a reporting entity and a related party, regardless of whether a price is charged.

A person or a close family member is related if he:

- Has control/joint control;
- Has significant influence;
- Is a member of the key management personnel (KMP);

of the reporting entity or its parent.

Close members of the family of a person are those family members who may be expected to influence, or be influenced by, that person in their dealings with the entity including:

- that person's children, spouse or domestic partner, brother, sister, father and mother;
- children of that person's spouse or domestic partner; and
- dependants of that person or that person's spouse or domestic partner.

Key management personnel are those persons having authority and responsibility for planning, directing and controlling the activities of the entity, directly or indirectly, including any director (whether executive or otherwise) of that entity.

Company has duly complied with all the disclosure requirements of Ind AS 24 "Related Party Disclosures"

5.13 REVENUE RECOGNITION

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Company follows accrual basis for all revenue recognition. Interest income is recognized on due basis and penal income is recognized on receipt basis.

Processing fees received from customer was recognized as income in the year of receipt under India GAAP. But, as per Ind AS, the same is now amortized over the period of relevant loan.

5.14 EARNINGS PER SHARE

The Earning per Share (Basic as well as Diluted) is calculated based on the net profit or loss for the period attributable to equity shareholders i.e. the net profit or loss for the period.

For the purpose of calculating (Basic and Diluted EPS), the number of equity shares taken are the weighted average number of equity shares outstanding during the period.
